

Youth Health Empowerment and Action Research Team
Dr. Scyatta A. Wallace, Department of Psychology, St. John's University

Volunteer Research Assistant Application

We would like to invite College Students (Sophomores and Juniors) and Graduate Students (Masters and Doctoral level) who are able commit at least two semesters on the project (6-8 hours per week) and are available to work in the lab Mondays-Thursdays between 10-6pm.

Please return the completed application, a resume, and one letter of recommendation to Dr. Scyatta Wallace at 411C Marillac Hall or email at wallaces@stjohns.edu
